

March 7, 2017 – March 12, 2017

Volusia Peers

Tuesday, March 7

6:00- 7:30pm

PEERS is a research based social skills program for teenagers with autism spectrum disorders. It utilizes parents as social coaches to facilitate social development outside of the group. It is a 14 week program with 13 lessons and a graduation. PEERS is a comprehensive program that includes didactic lessons and weekly homework assignments.

Participation is dependent on the individual and their parent completing a parent/child interview and meeting qualifications.

ASPIRE Orange Game Night

Tuesday, March 7

6:30-8:30pm

ASPIRE group, Asperger's Syndrome Pursuing Interests, Recreation and Entertainment. This group is for individuals 18 years and up to enjoy fun events and outings in a social environment with their peers. Supervision is through PALS facilitators. Parents may provide transportation to events, but will not participate with the group.

In order to participate with ASPIRE, individuals must be registered with the UCF Center for Autism and Related Disabilities (UCF CARD) and also be recommended by their assigned coordinator.
