## Museum of Arts & Science- The Children's Museum & Planetarium Show

Saturday, October 7<sup>th</sup> 2017

10:00AM -12:00 PM

Join PALS at The Children's Museum!

Unleash your imagination! The Children's Museum is home to interactive exhibits that demonstrate various principles of science, including a raceway where kids can build their own vehicles, doctor and radiologist exhibits, tennis ball launcher, video light microscope, a make-believe pizza parlor, and more!

The Children's Museum is designed to be a fun, safe place for children to play with educational exhibits that explore their senses, challenge their minds, and give them the opportunity to learn about science!
