# Loyal Source & Derby Day Impacting Lives in Central Florida

Since 2008, Loyal Source has been honored to host the “Derby Day 4 Autism” extravaganza featuring a Golf Classic and Derby Day Party. **The two-day event focuses on raising funds and awareness for the UCF Center for Autism and Related Disabilities (CARD) Providing & Providing Autism Links and Support (PALS).** This joint organization offers services and support to more than 27,000 Central Florida families raising an individual with an autism spectrum disorder (ASD).

Since our first event nearly two decades ago, **we’ve raised over \$2.5 million dollars that have helped PALS truly impact lives** through a variety of camps and state-of-the-art programs that provide:

- **Education & Training** – Didactic social skill enhancement programs for individuals with ASD, as well as conferences and professional training.
- **Social Opportunities** – Community-based outings that support social skills enhancement and friendship development in a natural setting.
- **Family Events** – Fun-filled activities offered at various times of the year in Central Florida for the entire family.
- **Community Collaborations** – Partnerships with community programs allows individuals with ASD to thrive with extra support from PALS.
